- ✓ Delivery lead time are additional to production lead times.
- ✓ Despatch organised and tracked.
- ✓ Delivered in unmarked cartons.
- ✓ Carton dimensions and weight will vary depending on the size of plastic bags you wish to choose.

ARTWORK CHARGES

- ✓ **FREE** Set-Up for Offset Printing!
- ✓ No artwork fee when customers supply final artwork in the correct artwork templates provided upon request.
- ✓ Further changes after 2nd draft artwork supplied for signoff will incur extra charges by customer.
- ✓ Zammit can offer artwork design support based on the 2 options below:
- ✓ Convert artwork design supplied by customer to our artwork template - **\$50.00 + GST**
- ✓ Full Artwork Design Service – price on application
- ✓ Note 1: Full Artwork Design Service means the customer has no artwork supplied and requires Zammit to develop design. Zammit will require detailed instructions from the customer for quotation purposes in producing artwork, which includes key design components: logo position/s and copy where applicable; no. of logos; size and font of logo/s and copy; pantone colours.
- ✓ Note 2: Further changes after 1st draft artwork supplied for signoff will incur extra charges by customer.

MINIMUM ORDER QUANTITY (MOQ)/PRODUCTION LEAD TIME (Excludes Delivery Time)

Gravure printing (50,000 +)

- ✓ Order completed within 10-15 working days from the date of paying the invoice.
- ✓ Production time may be longer for large production runs.

FEATURES

- ✓ Our bags are bio-based and compostable, a significant point in our environmentally conscious society.
- ✓ Using a Gravure Printing process, we are able to provide customisable prints consisting of 1- 8 colours.
- ✓ Size can be customised to match your promotional needs.
- ✓ Our promotional plastic bags are SGS, FDA and ISO certified.

Please do not hesitate to contact our office if you require any additional information and/or samples.
