ARTWORK CHARGES

- ✓ **FREE** offset set-up for quantities over 15,000+ for overseas production
- ✓ No artwork fee when customers supply final artwork on the curved artwork templates provided upon request.
- ✓ Zammit can offer artwork design support based on the 2 options below:
 1. Convert artwork design supplied by customer to the curved artwork template – **FREE**
 2. Full Artwork Design Service – price on application
 - Note 1: Full Artwork Design Service means the customer has no artwork supplied and requires Zammit to develop cup design. Zammit will require detailed instructions from the customer for quotation purposes in producing artwork, which includes key design components: logo position/s and copy where applicable; no. of logos; size and font of logo/s and copy; pantone colours.
 - Note 2: Further changes after 1st draft artwork supplied for signoff will incur extra charges by customer.

SINGLE WALL CUPS

Made in Australia

Effective 6th of March 2017

FEATURES

- ✓ Both our single wall cups and lids are recyclable and are proudly manufactured in both our factory in Australia and China.
- ✓ We use virgin pulp, food-grade cardboard imported from Sweden.
- ✓ We use food-grade inks, consequently; our cups do not leak, they do not stick to each other, the lids fit perfectly and they do not give off an offensive odour when the hot coffee or tea are poured into them.
- ✓ Matte finish with full colour wrap-around printing.

OPTIONS for your consideration, for FREE inclusion on the cups:

- ✓ The words recyclable
- ✓ The words CAUTION: CONTENTS ARE HOT.
- ✓ The internationally recognised recycling logo:
- ✓ The international tidy-man symbol:

Please do not hesitate to contact our office if you require any additional information and/or samples.
